AirTag/Tile Giveaway to Help You Track Your Vehicle

Introducing a Way to Locate Your Vehicle in Real Time

FREQUENTLY ASKED QUESTIONS

What kinds of tags are available in the program?

MPD will distribute two types of devices — AirTag and Tile.

Can I choose which type of tag I get?

Yes. You can choose which one works best for your particular technology needs.

I own three cars. How many devices can I receive for free? Can I pay to receive additional tags?

There is a limit of one free tracking device per resident/vehicle. You may **not** purchase more from MPD.

Do I own the tracking device or is it the property of MPD?

Yes. The device is yours to keep.

I'm selling my car. Can I move the device to another vehicle?

Yes. The device belongs to the resident and can be moved to a new vehicle.

Can MPD track my car when I'm driving it?

No. The device can only be accessed by the owner of the device. Participating in the program means you are pledging to share tracking data if your vehicle is stolen at a future date.

To learn more about the program and find your PSA, please visit

mpdc.dc.gov/trackmystuff

How does the program work?

If your vehicle is stolen, you can log into your account and show the officer where your device is pinging.

What happens if someone steals my vehicle? What steps should I take?

Report it. Call 911 and let the Office of Unified Communications dispatcher know that your vehicle has a tracking device. When responding officers arrive, you will have to provide them with the real-time location of the device.

Who is eligible for the program?

Residents of the Police Service Areas listed on the website are eligible to receive a free AirTag or Tile device for one registered vehicle. Priority will be given to residents of the targeted PSAs shown on each event flier; residents of other eligible PSAs may receive devices subject to availability.

Are motorcycles eligible?

Yes — all motor vehicles are eligible.

Are there other devices that I can use to track my vehicle?

Any vehicle with a tracking device can aid in locating and recovering missing or stolen property. See website for details.
